MRC CI, QH & CS PLATFORM

In the afternoon session, we were honored to have Dr. Siew Siew Kim share her profound insights on Hybrid Personalized Learning and advanced classroom management, empowering us to elevate our teaching strategies to new heights. It was also a memorable moment for our Course Instructors, Centre Quality Heads, and Supervisors to come together, exchanging experiences and celebrating the joy of shaping young minds at MRC. With over 1000 participants in attendance, their stories of passion and dedication served as a powerful reminder of the lasting impact at the heart of all MRCians.
